**GILMAN AND PASTOR LLP ANNOUNCES RECOVERY FOR ITS CLIENT AGAINST
FAIRFIELD GREENWICH IN BERNARD MADOFF LITIGATION**

In one of the first recoveries in the \$60 billion Madoff fiasco, Hedge Fund Fairfield Greenwich Advisors, who diverted money to convicted king pin, Bernard Madoff, has agreed to reimburse investors in the Commonwealth of Massachusetts. Secretary of State William Galvin has resolved a suit against Fairfield Greenwich that included allegations that Fairfield Greenwich failed to perform sufficient due diligence of Madoff's operation. Fairfield Greenwich represented to Gilman and Pastor's client and others nationwide that Fairfield had conducted rigorous due diligence of Madoff's operation and presented false and misleading historical performance of Fairfield Greenwich and Greenwich Sentry Partners, from 1991 through 2007.

Fairfield Greenwich executives were to have begun testifying at hearings in Massachusetts yesterday and having to disclose specific information concerning its role in the Madoff related operations.

Gilman and Pastor has been representing Madoff victims in the closely watched Tremont Litigation, which is pending in the Southern District of New York.

If you invested through Fairfield Greenwich or any other related entity, then we would like to discuss your claim at your earliest convenience. For more information, please call us at (888) 252-0048 or visit our [Bernard Madoff investment fraud](#) website.
